Host your next event at Huron Pines!

We would be happy to assist you in organizing your event. Many people choose Huron Pines as the venue for business events, family events, and various other types of private golf tournaments.

Email manager@huronpines.com for more information.

SUPERINTENDENT'S MESSAGE

I've heard it said that **"the only thing constant is change"**. The times we are living in, and through, seem to be driving that idea home in ways we could never have imagined.

Most of you all are aware that we owe a great deal of gratitude to our extremely dedicated team of volunteers. It is with a great deal of sadness that I must report that one of our longest serving and most dedicated volunteers Tom Van Roon passed away at the end of last year. For over 20 years Tom has kept the periphery of the course free of brush and has taken out problem trees in areas where many of us often find ourselves. The loss of Tom will be felt not only in our hearts but in the character of the areas he looked after. We will do our best to continue his work, but his work ethic and attentiveness to detail will be extremely difficult to replace.

In the upcoming season we will be starting the year with a fleet of 60 golf cars as we finally received the ones we ordered in the spring of 2021. The addition of these cars will improve the flow on the golf course and should do away with the waits that some of you had last year when no cars were available. In the fall of last year, we renovated the tee deck on #17 and intend to continue work to improve tees on #9 and #14. In the shop area we will be expanding our covered space with a new building to ensure that our equipment can be sheltered from the elements as much as possible, thereby extending their lives and cutting down on maintenance issues. Also intended is drainage to the bottom of #16 fairway and #17 in front of the green.

The improvements we have planned will be made that much more difficult with the final retirement of Royal St Jules with his beaver like work ethic. With that said the search for motivated and meticulous workers has begun. If that sounds like someone you know please let them know we are looking! In the meantime, until the snow recedes, please take care of yourselves my friends and remember "I'm pulling for you, we're all in this together".

Peter Stos

President's Note

Spring has sprung! Golf to follow.

After extensive meetings, the GM selection committee was able to whittle down 14 candidates and make a final recommendation to hire Kevin Cain as Huron Pines' new general manager. He has been diligently learning the ropes since January. After over 30 years working for Canada Post, he will bring his vast experience to this position.

Thanks must go out to Liam Hamlin, for his dedicated service over the last 3 years. His hard work last winter spearheaded the introduction of our cloud-based tee time scheduler. Liam is moving on to bigger and better things, but I am sure you will see him out on the course this summer. Andrew Tessier was a godsend picking up the general managers duties mid-season, with Abby Hagger as his 2IC.

Please attempt to book online, as this frees up our proshop staff to attend to in shop customers and other duties. Unfortunately, Tee-On has not programmed a way for 10 pack players to book, but they are working on it.

With relaxing of Covid measures, tournaments should be able to return to their previous formats with the comradery of indoor dining. The tournament committee has been busy scheduling, working with the Reservoir (Laura & Drew) for meals and obtaining sponsorships for the return to pre-Covid formats.

Tentative men's and ladies' night tee times have been organized based on last years preferred times and this year's requests. Everything is flexible at this time, so just ask for a change.

See you out on the course shortly. Weather, government and Covid permitting,

Mark A.V. Deverell

Manager's Greeting

The 2022 Golf Season has arrived!

I wanted to take this opportunity to thank the board for their faith in me as the next General Manager of Huron Pines. I'm hoping to sustain and build on from the great people that were here before me, Trevor and Liam. My goal for year 1 is to learn as much as I can and serve the Board and Membership the best I can.

We have a great staff returning and am looking forward to a great year. With the nicest course in the north, we as a staff will do what it takes to make your experience at Huron Pines one to remember that will bring you back.

Kevin Cain

Membership
